REMARKS/ARGUMENTS

Reconsideration of the application is requested.

Claims 1 - 12 are retained in the application. Claims 13 - 25 have been canceled.

In other words, the claims have once more been limited to the claims of the original patent. That is, the reissue application which the additionally claimed subject matter is in effect withdrawn.

The Examiner's cooperation in handling this reissue application is requested. Should the Examiner be of the opinion that the change in the specification and the correction in claim 9, effected in the last-filed amendment, still justifies the filing of the reissue application and they are considered sufficient error as to justify the reissue, than the Examiner is requested to issue a notice of allowability and a notice of allowance in the reissue application.

Should, on the other hand, the Examiner be of the opinion that the changes in the specification and the correction in claim 9 can be corrected by way of a certificate of correction, than the Examiner is requested to abandon this reissue application at this point so that the original letters
